Entire Democratic Commission Endorses Hertel

Curtis Hertel Jr. today announced that he has been endorsed for the 23rd district of the State Senate by the entire Democratic contingent of the Ingham County Commissioners. The list of commissioners endorsing Hertel includes Victor Celentino (District 1), Rebecca Bahar-Cook (District 2), Sarah Anthony (District 3), Bryan Crenshaw (District 4), Todd Tennis (District 5), Kara Hope (District 7), Penelope Tsernoglou (District 8), Carol Koenig (District 9), Brian McGrain (District 10), Dianne Holman (District 11) and Deb Nolan (District 12).

"Curtis Hertel has been a strong advocate for working families in Ingham County and will continue to stand for us in the Michigan Senate. Now more than ever, we need bold leadership, experience and a passion for people in our community and I believe Curtis is the right person for the job." said Sarah Anthony, expressing her support for Hertel.

Rebecca Bahar-Cook added, "Curtis has a unique ability to bring consensus around polarizing issues and move important legislation forward. I saw him do that over and over again on the County Commission. This is a skill set much needed in state government. I look forward to his leadership in the Michigan Senate."

Victor Celentino was also eager to endorse Hertel. "As a fellow county commissioner, it gave me great pride to watch Curtis move to the Register of Deeds office and fight for our residents with the same enthusiasm that he exhibited on the commission. It's that same fight that will make him an excellent State Senator," said Celentino.

"It means a lot to me to receive this endorsement, from those I have worked alongside for so many years. Their recognition and support is incredibly meaningful to me." said Hertel. "I'm looking forward to getting to work in the Senate to emphasize legislation that will support our shared values."

Curtis Hertel is currently the Register of Deeds for Ingham County. He was elected in 2008, won re-election in 2012, and recently announced his candidacy for the 23rd district of Michigan's Senate.
