Michigan Doctors Political Action Committee Endorses Curtis Hertel Jr. for 23rd District State Senator

Curtis Hertel Jr. is pleased to announce that he has received the endorsement of the Michigan Doctors Political Action Committee. The Michigan Doctors PAC is the political arm of the Michigan State Medical Society, a bipartisan political action committee made up of members of the MSMS who are interested in making a positive contribution to the medical profession through the political process. The Michigan Doctors PAC supports pro-medicine candidates running for the Michigan state legislature or statewide office.

“Mr. Hertel has always, and will continue to be, a champion for putting patients first,” said Dr. Amit Ghose, M.D., Vice Chair of the Michigan Doctors’ PAC. “He is truly dedicated to ensuring that physicians and patients continue to strengthen their relationship by providing the highest quality of care, access, and safety.”

“I want to extend a heartfelt thank you to all of the members of the Michigan Doctors PAC for putting their trust in me, and recognizing my commitment to quality healthcare,” Hertel said. “I share their mission and values concerning the relationship between patients and doctors, and I admire their dedication to providing the best care possible.”

Curtis Hertel Jr. is currently the Register of Deeds for Ingham County. He was first elected in 2008, won re-election in 2012, and is a candidate for the 23rd district of Michigan’s Senate.
