Michigan Credit Union League Endorses Curtis Hertel Jr. for 23rd District State Senator

Curtis Hertel Jr. has received the endorsement of the Michigan Credit Union League in his campaign for the Michigan State Senate's 23rd District seat. The MCUL is a non-partisan organization that provides Michigan credit unions with important services including legislative, regulatory and media advocacy, timely news and vital information.

"Credit unions are pleased to offer support for Curtis Hertel, Jr. as he seeks election in the 23rd Senate District," said Ken Ross, EVP/COO of the Michigan Credit Union League & Affiliates. "He has a record of fighting for consumers and community preservation, working with community-based financial institutions like credit unions to support and grow small business and revitalize our neighborhoods."

"I want to thank the MCUL and all of its members for putting their trust in me, and for recognizing my commitment to the citizens who make our neighborhoods strong," Hertel said. "I am proud to share their concerns for financial institutions that put people first. I look forward to working with the credit unions and any financial institution that understands the importance of their customers. If elected, I will work to improve the banking experience and to protect the middle class."

Curtis Hertel Jr. is currently the Register of Deeds for Ingham County. He was first elected in 2008, won re-election in 2012, and is a candidate for the 23rd district of Michigan's Senate.
