We are pleased to announce that former State Representative, the Honorable Mark Meadows, has officially endorsed Curtis Hertel Jr. for the Michigan State Senate's 23<sup>rd</sup> district. Representative Meadows joins a growing list of current and former State Representatives who have expressed their confidence in Hertel by giving him their support. Hertel, like Meadows, is from the East Lansing area, where the two became friends and have shared a working relationship for the past 15 years.

Mark Meadows had this to say about Curtis, "I first met Curtis while he was heading up the MSU College Democrats. In that position he brought the same energy, intelligence and commitment to the job that he has demonstrated as our County Register of Deeds. He will again bring that energy, intelligence and commitment to the interests of his constituents as State Senator Curtis Hertel. I wholeheartedly support his candidacy and recommend his election as State Senator."

"I want to thank Mark for placing his confidence in me for this Senate race," Hertel said. "He has been a dedicated public servant, both while serving in the City of East Lansing and as a Legislator. This endorsement is very important to me as Mark has been a leader and a mainstay in our community for a long time, setting an example for all of us who follow him to the legislature."

Curtis Hertel Jr. is currently the Register of Deeds for Ingham County. He was elected in 2008, won re-election in 2012, and recently announced his candidacy for the 23<sup>rd</sup> district of Michigan's Senate.
