FOR IMMEDIATE RELEASE

The United Association of Plumbers and Pipefitters Local 333 have officially endorsed Curtis Hertel Jr. for the Michigan State Senate's 23rd district, in Ingham County. The UA represents over 1,000 members and retired members in the Lansing area and Ingham County.

Judd Van Coppenolle, Business Manager for the Local 333 stated, "Local 333 proudly endorses candidate Curtis Hertel. Curtis supports the hard working people of Michigan and will fight for workers' rights, fair wages and a safer workplace."

"I'm proud to receive the endorsement of the Pipe Trades today, because I have witnessed their commitment to representation for well-trained craftsmen, and their concern for worker safety," Hertel said. "I am a firm advocate for the work that the UA and the rest of the Union Building Trades perform, both at job sites and with charitable organizations in our communities. I've had the support of the UA throughout my career as a public servant, and will continue to work on their behalf if I am elected to the Michigan Senate."

Curtis Hertel is currently the Register of Deeds for Ingham County. He was elected in 2008, won re-election in 2012, and recently announced his candidacy for the 23rd district of Michigan's Senate.
